Honorable Son T. Nguyen,

May I commend the United States Patent Office and the examiners for their commitment of the accessibility of patents to "ordinary" people. The USPTO has gone to great lengths to provide useful and complete information to those who wish to file a patent by themselves. It allows people, regardless of their monetary situation or ability to afford an attorney, the ability to file for a patent. Thank you.

I have used the USPTO website extensively. The website and the USPTO email alerts provide helpful and constructive information to those like me who wish to file a patent. Mr. Nguyen, I have taken great pains to attempt to file this application properly, and spend your time wisely, but I need your direction on one item.

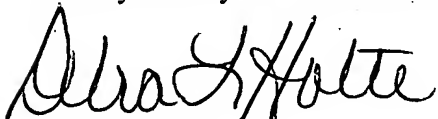

I have come to realize that I might improve the wording of my claims. Thank you, by the way, for correcting my references to independent claim 19 (not 18). In studying the corrections for my drawings, I realized that I did not use consistent language. Going back to the USPTO website and further studying properly drafting claims, I would like to add an additional independent claim, which I believe is more concisely and properly worded by USPTO standards.

USPTO allows three independent claims without further fees. My application had two independent fees, so a third may be added without additional fees. I am not sure the proper procedure to do this. In searching the website, I could not find information on the proper procedure to add an independent claim. As a result, I am including my original form PTO/SB/07 along with new copy of the form which reflects the changes.

I look to you for direction. I will gladly and promptly fill out any additional forms which you deem to be necessary.

One final comment, throughout my amendment, I have been conscious of not continuing a sentence or paragraph onto the next page. Although it makes the document longer, I believe it is easier for the reader to read (understanding that you must read numerous of these each day).

Thank you for your consideration,

Debra L. Holte

In order for the amendment document to be compliant, correction of the following item(s) is required. Only the corrected section of the non-compliant amendment document must be resubmitted (in its entirety), e.g., the entire "Amendments to the claims" section of applicant's amendment document must be re-submitted. 37 CFR 1.121(h).

THE FOLLOWING CHECKED (X) ITEM(S) CAUSE THE AMENDMENT DOCUMENT TO BE NON-COMPLIANT:

1. Amendments to the specification:

☐ B. New paragraph(s) should not be underlined.
☒ C. Other Specification needs to be on separate page

2. Abstract:

☐ B. Other _____

3. Amendments to the drawings: _____

4. Amendments to the claims:

- ☒ A. A complete listing of all of the claims is not present.
☐ B. The listing of claims does not include the text of all claims (including withdrawn claims).
☐ C. Each claim has not been provided with the proper status identifier, and as such, the individual status of each claim cannot be identified.
☒ D. The claims of this amendment paper have not been presented in ascending numerical order.
☒ E. Other: Claims needs to be on separate page

Further explanation of the amendment format required by 37 CFR 1.121, see MPEP Sec. 714 and the USPTO website at www.uspto.gov/patents/121.htm.

If the non-compliant amendment is a **PRELIMINARY AMENDMENT**, applicant is given **ONE MONTH** from the mail date of this letter to supply the corrected section which complies with 37 CFR 1.121. Failure to comply with 37 CFR 1.121 will result in the entry of the preliminary amendment and examination on the merits will commence without consideration of the proposed changes in the preliminary amendment(s). This notice is not an action under 35 U.S.C. 132, and this **ONE MONTH** time limit is not extendable.

If the non-compliant amendment is a reply to a **NON-FINAL OFFICE ACTION** (including a submission for an RCE), and if the amendment appears to be a *bona fide* attempt to be a reply (37 CFR 1.135(c)), applicant is given a **TIME PERIOD** of **ONE MONTH** from the mailing of this notice within which to re-submit the corrected section which complies with 37 CFR 1.121 in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD ARE AVAILABLE UNDER 37 CFR 1.136(a).**

If the amendment is a reply to a **FINAL REJECTION**, this form may be an attachment to an Advisory Action. The period for response to a final rejection continues to run from the date set in the final rejection, and is not affected by the non-compliance of the amendment.
